It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final

copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount carried over from 2020/21	£ 20,876
Total amount allocated for 2021/22	£ 16,808
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£ 37,684

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p> <p>Please see note above</p>	80 %
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	70 %
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	70 %
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

<p><i>Competitive sport has been limited due to COVID-19. Some activities are still limited due to class bubbles and limited mixing of schools.</i></p> <p>To demonstrate a healthy return to competitive sport following the pandemic.</p> <p>Preparing pupils for competitions.</p>	<p>Sport competitions in local area:</p> <ul style="list-style-type: none"> • Elstree football & cross-country • Rural Schools netball & football • Kennet cross-country • Bradfield cross-country • Area Sports • Ten pin bowling • Multi-sports 	£300	<p><i>For the Spring and Summer Term 21/22, entries have already been made been made to:</i></p> <p><i>Rural schools football – we came 3rd out of 4 teams. Great team spirit. Elstree Year 2 football – we took teams of mixed Year 1/2 and our A team won!</i></p> <p><i>Bradfield cross-country – we took 15 KS2 pupils. Great sportsmanship cheering on other teams. Our best result was 10th in Junior Girls. Elstree cross country – 4 KS2 pupils took part and came 5th out of 10. The team were observed showing a love of others, cheering slower finishers on and joining them for encouragement in the closing stages of the race.</i></p> <p><i>Bradfield cricket: 10 pupils participated and enjoyed additional coaching during the day from the senior school pupils. We came second in our league.</i></p>	<p><i>Continue with a varied programme of sports taster sessions.</i></p> <p><i>Encourage local clubs to provide some of these to encourage participation in sport out of school.</i></p>
	Inter-house competitions in school			
	Develop our use of the ‘personal best’ philosophy	£300		
	Develop a KS2 athletics award (Sports Ambassadors)	£2000		
	Transport to attend events			
	Records kept of pupils’ participation in school competitions and sports clubs to identify gaps.		<p><i>Our own school sports day included a long distance run for KS2, a carousel of field activities for all pupils then a series of sprint and obstacle races in front of parents during the afternoon. The day finished with a house relay involving all pupils in the school. Area Sports took place on Friday 1st July - all KS2 pupils competed. Feedback from parents and children was positive and they particularly liked the range of races.</i></p> <p><i>All Year 2 pupils participated in the Multi skills competition at Theale Green School. The pupils experienced working together as a team in a competitive situation and both teams achieved commendable scores, receiving gold and bronze medals.</i></p> <p><i>A meeting with MNR about the KS2 Athletics Award was held and raised awareness with the team that KS2 staff are keen for some/all children to work for awards in 2022-23. MNR to consider how MNR can support school staff to deliver this programme.</i></p>	<p><i>Plan for the MNR coaching team deliver the KS2 athletics award in the Spring Term so there is sufficient time to gather data for the disciplines.</i></p> <p><i>House Captains to consider the frequency and types of active competition during 2022-23 for house groups.</i></p>
